

ULTIMATE BOOKS

1000 FOOTBALL SHIRTS

1000 TEAMS, 110 COUNTRIES, 1 GAME

What is the relationship between Vasco de Gama and the Portuguese shirt? Why did Italy choose blue as an emblematic color? What do the 11 patterns on the collar of the South African players represent?

Each football team is recognizable by its shirt. Legendary, classical, full of logos, sometimes in bad taste... this piece of clothing embodies the history of the country, the city or the district it represents and provides a different perspective on both its people and its culture.

Through anecdotes and historical facts **1000 FOOTBALL SHIRTS** decrypts the game in a unique and informative way. Open the this book and see the history of football in a whole new light - full of colour and stories!
