

# Cycling Paradises

Riding through the world

Whether imagining yourself to be a champion on the mythical Col du Galibier, biting the dust on the stony paths of Finale Ligure in Italy, discovering New York as a family on its bike paths or exploring the gulf of Thailand by the power of your legs... **Cycling Paradises** invites riders to become familiar with the most beautiful sites in the world where you can ride a bike. Whether lovers of stunning tours, rocky terrain or exotic views, cyclists will not be disappointed.

100 dream destinations for cyclists in search of extraordinary journeys.
